

SHB 2164 - H AMD 615

By Representative Orwall

ADOPTED 02/11/2014

1 On page 6, after line 9, insert the following:

2 "NEW SECTION. **Sec. 3.** A new section is added to chapter 13.40
3 RCW to read as follows:

4 (1)(a) The juvenile rehabilitation administration of the
5 department of social and health services must compile and analyze data
6 regarding juvenile offenders who have been found to have committed the
7 offense of unlawful possession of a firearm under RCW 9.41.040 and
8 made their initial contact with the criminal justice system between
9 January 1, 2005 and December 31, 2013. Information compiled and
10 analyzed must include:

11 (A) Previous and subsequent criminal offenses committed by the
12 offenders as juveniles or adults;

13 (B) Where applicable, treatment interventions provided to the
14 offenders as juveniles, including the nature of provided interventions
15 and whether the offenders completed the interventions, if known; and

16 (C) Gang association of the offenders, if known.

17 (b) The department of corrections and the caseload forecast
18 council must provide any information necessary to assist the juvenile
19 rehabilitation administration in compiling the data required for this
20 purpose. Information provided may include individual identifier level
21 data, however such data must remain confidential and must not be
22 disseminated for purposes other than as identified in this section or
23 otherwise permitted by law.

24 (2) The juvenile rehabilitation administration shall report its
25 findings to the appropriate committees of the legislature no later
26 than October 1, 2014."

1 Correct the title.

2

EFFECT: The amendment does the following:

- Requires the Juvenile Rehabilitation Administration to compile and analyze specific historical data regarding juvenile firearm offenders, including criminal history and treatment intervention data, and report its findings to the Legislature.
- Requires the Department of Corrections and the Caseload Forecast Council to provide the Juvenile Rehabilitation Administration with information necessary for the data collection and analysis, which may include individual identifier level data.
